

# Contacts

Easily sync contacts from various devices with Folderz and edit them online.

image not found or type unknown

## Why is this so awesome?

- **Integration with other Folderz apps!** Currently Mail and Calendar – more to come.
- **Never forget a birthday!** You can sync birthdays and other recurring events with your Folderz Calendar.
- **Sharing of Address Books!** You want to share your contacts with your friends or coworkers? No problem!
